

Spinyback

NELSON

Albariño 2025

TASTING NOTES

This Albariño shows lively citrus, white peach and a hint of tropical fruit, balanced by gentle chalky minerality and a crisp, refreshing finish. Perfect for a sunny afternoon.

VINEYARD

The Spinyback Albariño is grown on the Hope Block in the Waimea Plains, Nelson. Stony soils with overlying sandy loam, deep river silt and free-draining gravels.

WINEMAKING NOTES

A single vineyard fruit parcel was gently pressed to a tank, retaining only free run and light pressing juice fractions. Gentle fining and light settling were completed before racking and recombining portions for fermentation. Fermented with cool-selected aromatic yeast strains to retain varietal intensity and character. Matured on light lees for 5 months.

VARIETY: Albariño
PH: 3.25
TA: 8.5
G/F: 5.7g/l
ALC: 13.4%
